

BIOEVOPEAK

Laboratory Solution One-Stop Provider

INTRODUCTION

BIOEVOPEAK INTRODUCTION

Founded in 2010, with the mission of continuously improving the intelligence, precision, safety and convenience of the laboratory, Bioevopeak is a professional manufacturer driven by innovation and service in laboratory and Medical field, our company is certified by ISO9001, ISO13485 and Intellectual Property Management System

In addition to providing our self-produced products, we also provide customers with purchasing and inspection services in whole China market. We provide fully after-sales service to the products running through us.

THE PRIMARY PRODUCT LINES

Lab Equipment

Life Sciences instruments

Biotechnology & Diagnosis analyzers

Quality Control & Analysis device

Measuring instruments

Environmental Monitoring Equipments.

Most of our products are certified with CE, FDA, EAC certification issued by internationally renowned testing institutions.

FACTORIES

18

We have 18 factories in form of self-establishment, holding or equity participation.

Each of our facilities have more than 10 years of experienced R&D personnel to ensure the continuous improvement of product quality. In order to ensure processing accuracy, we use internationally renowned sheet metal processing equipment and CNC machine tools, such as DMG MORI and AMADA. The whole production process is strictly implemented in accordance with industry standards. All accessories, metal processing, assembly and inspection work are completed by highly trained and responsible employees.

To guarantee the performance of the finished product, each product line has set up an independent testing room.
